

Prof (Dr.) Jayesh Barve, Director, AIIE was invited as an expert Faculty for designing and conducting a Professional Refresher Course on “ **Process Control Fundamentals & Advances**” organized by ISA (International Society of Automation) Gujarat Section on 7th & 8th August, 2015 at Hotel Express Residency, Baroda.

The other 3 expert Faculty members were a senior professors from IIT-Bombay and 2 senior Automation and Control professionals from industry at Bangalore. The participants were mainly senior/middle level instrumentation and controls professionals from various renowned industry like L&T, Essar-Oil, GE Oil & Gas, Yokogawa, SRF, Kohler, Sevilink, GACL, UPL, etc.

This was first such professional refresher course organized by ISA Gujarat Section. The course was very well received by the industry participants. Encouraged by the success of this course, organizers and other ISA-India sections are now interested to repeat this course elsewhere and also to organize more such courses regularly for the benefit of industry professionals.
