Rachana

'Rachana' is a Sanskrit word derived from the root 'rach' meaning 'to create' or 'make'. This is an apt word to describe our forthcoming steps. At the Adani Institute of Infrastructure, we aspired for new dreams and hence, created a base with our first newsletter Adhithana. The second newsletter, Rachana, goes on to show how the Adani Institute of Infrastructure has created a masterpiece from that base.

Being nation builders, our goal has always been to be able to carve a new India with the best possible infrastructure. Rachana captures the essence of our activities towards creating infrastructure for a new India.

Adani Institute of Infrastructure (AII)

The Infra Consortium

- Established in the year 2009, the Adani Institute for Education and Research (AIER) is supported by the Infrastructure conglomerate, Adani Group, and guided by the Infrastructure visionary of the nation, Shri Gautam Adani
- AII is a self-financed institution promoted by Adani Group under AIER, with the vision to be a leading Global Economic Academic Institution in the Infrastructure sector contributing to nation building
- The Adani Institute of Infrastructure (AII) provides youngsters with requisite skills & training and a platform to be 'Nation Builders'

Adani Institute of Infrastructure Management (AIIM)

Post Graduate Diploma in Management (Infrastructure Management)

2-year full-time, duly approved by AICTE

Adani Institute of Infrastructure Engineering (AIIE)

Approved by AICTE, affiliated to Gujarat Technological University (GTU), for the following 4-year Bachelor of Engineering programmes:

- Civil & Infrastructure Engineering (CIE)
- Electrical Engineering (EE)
- Information & Communication Technology (ICT)

Academic Collaboration

All's International Academic Collaboration with Purdue University, USA

The All (an Adani Group initiative), on behalf of AIIM and AIIE, and the Purdue University, USA, on behalf of its Purdue Polytechnic Institute, have established an international academic collaboration to foster cooperation in education and research. To promote international academic cooperation, this collaboration aims to include activities, viz. exchange of students, exchange of faculty and research scholars, joint research and meetings for education and research as well as exchange of materials, publications, academic information and technical assistance.

All's Academic Collaboration with Government of Gujarat's Centre for Entrepreneurship Development

The Business Counselling Cell at Centre for Entrepreneurship Development (CED), Government of Gujarat, is the knowledge partner for entrepreneurship development at All. With this collaboration, various programmes like entrepreneur education, boot camps, educators programme, hackathon, faculty development programme, etc. are done. We encourage budding entrepreneurs, researchers, students and faculty to ideate and develop new concepts of business and provide them mentoring, developing, funding, research opportunities, etc.

Inauguration@ All

• Inauguration of 3rd Batch (2017-19) of PGMD-IM Students

AIIM opened its doors to the 3rd batch (2017-19) of its flagship 2-year full-time PGDM (Infrastructure Management) programme. The induction session saw Mr. H.K. Dash (IAS 1980 batch), Head of Gujarat Vigilance Commission, as Chief Guest and Dr. Malay Mahadevia, Group HR Director, Adani Group, and Trustee, All, as Guest of Honour. The programme also witnessed motivating words by Dr. A.V. Thomas, Director, All, Prof. Diptiranjana Mahapatra, Head-Academics, AIIM, and vote of thanks by Dr. Pankaj Singh, Head-Services, All, and Vice President, Group HR, Adani Group.

• AIIE's Orientation Programme

AIIE organised the orientation programme for its new batch of students on August 03, 2017, to welcome them at AIIE at the beginning of the new academic sessions.

- Inauguration of AIIM Case Study Centre**

AIIM Case Study Centre was formally inaugurated by Dr. A.V. Thomas, Director, on November 21, 2017, by clicking on the link of first case on the case centre webpage entitled 'The Adani Group: Building a Profitable Value-Chain and a Professional Organisation' authored by Prof. Diptiranjan Mahapatra, Prof. Kamal Kishore Sharma, Prof. Amit Karna, Dr. Pankaj Singh, Head Services, AI. The Director and authors of the first case were the key eminent speakers of the inauguration ceremony. The case study method of teaching is a unique pedagogy in the institute offering the reality of managerial decision-making – incomplete information, time constraints and conflicting goals – as students learn how to analyse business situations.

- All – Heritage Club Inaugural Ceremony**

All celebrated the inaugural ceremony of All - Heritage Club, in association with SPIC MACAY, by sharing a glimpse of the magnificent and rich Gotipua dance of Odisha on August 18, 2017. The Culture! at All Heritage Club explores the meaning of heritage to understand ourselves better, and to appreciate the cultural interconnectedness of the past, present and the future. All Heritage Club is a students' initiative to relish and celebrate Creativity, Culture, and Diversity of the nation.

Awards & Honours

• 6th EPC World Awards

AIIM was recognised with the industry honour of '**Emerging Institute for Infrastructure Management**' in the special achievement category for its outstanding academic contribution to the infrastructure and construction industry, during the 6th EPC World Awards in association with PricewaterhouseCoopers and Zee Business, on January 18, 2017, at the Ashok Hotel, New Delhi. The awards were supported by national and international industry associations: **BAI** (Builders Association of India), **VDMA** (Verband Deutscher Maschinenund Anlagenbau – German Engineering Federation), **INSDAG** (Institute for Steel Development and Growth) and **ACCE** (Association of Consulting Civil Engineers). Shri Suresh Prabhu (Hon'ble Minister of Railways) and Dr. Narendra Nath Pandey (Hon'ble Minister of State for Human Resources Development) were Chief Guests at the event.

Dr. Mahendra Nath Pandey, during the felicitation ceremony, appreciated the efforts of the infrastructure industry towards nation building and handed over the award to AIIM representatives, Dr. Diptiranjana Mahapatra, Head – Academics, AIIM, and Mr. Hiren Mandaliya, Head – Admissions, AIIM. Dr. Diptiranjana Mahapatra, was invited to speak at

the Event on 'Infrastructure Outlook for 2017'.

• AIIE IEEE Student Branch:

Institute of Electrical and Electronics Engineers (IEEE) is the world's largest technical professional organisation dedicated to advancing technology for the benefit of humanity. IEEE membership offers access to technical innovation, cutting-edge information, networking opportunities and exclusive member benefits. The IEEE Student Branch at AIIE was started on December 5, 2017, under IEEE Gujarat Section, India of Region -10 (Asia Pacific) by Dr. Ajay Kumar Vyas, Assistant Professor, AIIE Branch Counsellor, under the guidance of Dr. A.V. Thomas, Director - All, and Dr. Pankaj Singh Head Services – All.

• Vibrant Gujarat 2017

AIIM, including AIIE and AIIM, showcased opportunities and career prospects for students in the infrastructure sector and promoted infrastructure education at the Vibrant Gujarat Global Trade Show during January 10 to 13, 2017. Mr. Hiren Mandaliya, Head - Admissions, AIIM, and his team took part in the show under the

guidance of Dr. A.V. Thomas, Director – All, and Dr. Pankaj Singh Head Services – All.

Conferences & Seminars

- All, in collaboration with the Ahmedabad Library Network (ADINET), celebrated the 125th birth anniversary of Dr. S.R. Ranganathan (Father of Library Science in India) on the occasion of Librarians' Day by holding a seminar on August 12, 2017 at the All campus. Objective of the seminar was to provide a forum for discussion and exchange of ideas on the major seminar theme 'Re-imagining Today's Librarianship'. Dr. A.V. Thomas, Director, All, Dr. Anil Kumar H., Librarian and Head NICMAN, Indian Institute of Management Ahmedabad (IIMA), Dr. R. Samyuktha, University Librarian, Pondicherry University, and Ms. Rhoda Bharucha, Hon. Director, Ahmedabad Library Network (ADINET), were key eminent professionals in the seminar. The seminar started with the launching of proceeding entitled '**Re-imagining Today's Librarianship: ADINET 2017. Proceedings of 125th Birthday Celebrations of Dr. S.R. Ranganathan**' edited by Manu T.R., Nupur Vaishnav and Rhoda Bharucha. Around 330 participants and paper presenters from India as well as abroad especially from Dubai were part of the seminar.

- All, in association with DCB Bank Ltd., concluded the first Fintech Hackathon, non-stop for 30 hours on September 18, 2017. This initiative promoted the development of financial technology for banking industry and its customers with the help of Fintech. Over 100 students participated across Gujarat and created products for lending, risk management, trading, investing, personal finance, big data, retail banking, regulatory compliance, mobile payments, security and enterprise social. Dr. Pankaj Singh, Head Services - All, Mr. Jaymin Shah, Nasscom Chairman Domestic Council, Mr. Prassana Lohar, Chief Innovation Officer, DCB Ltd., motivated the budding entrepreneurs with their experience.

5	EE	Dr. Subhanarayan Sahoo	Assistant Professor, AIIE	Short-term Course on Tools for Engineering Research through ICT	January 30 to February 3, 2017

• **Training Programme on Learning from Past Failures**

AIIE organised a training programme on Learning from Past Failures from October 31 to November 1, 2017. The two-day programme included eight different modules of one and half hour each. There were 24 participants from across the Adani Group's Senior Managerial and Managerial Levels. Dr. V.M. Patel, Dr. Mitesh Popat, Mr. Sameer Patel and Mr. Bhavin Shah were the speakers at this event.

• **Entrepreneurship Educator Programme**

All collaborated with the National Entrepreneurship Network (NEN) for a five-day workshop on 'Entrepreneurship Educator Programme (EEP)' from July 25 to 29, 2017. This workshop was aimed at preparing educators to guide students to discover their strengths in terms of an entrepreneurial founding team and learn basics such as idea generation, opportunity discovery, prototyping, competition analysis, funding and more. This programme was successfully conducted under the guidance of Dr. Pankaj Singh, Head-Services - All, and saw participation of 30 professors from various institutes across Gujarat.

- Workshop on Leadership Dynamics**

All held a workshop on Leadership Dynamics by international leadership coach, Mr. Peter Cox, on March 1, 2017. Mr. Peter Cox, a Global Leadership Coach, is amongst the top three leadership coaches of Australia. His impact has been experienced in the spheres of business and sports at the highest level of competitiveness. Mr. Cox shared insights on his fine coaching philosophy and methodology along with the results of his work with some leading business and sports personalities.

• **National Workshop on Power Electronics & Power System Simulation Platform**

AIIE in association with TechLabs organised a two-day National Workshop on 'Power Electronics & Power System Simulation Platform' on October 12 & 13, 2017. The objective of the workshop was to impart in-depth knowledge in the selection and design of power converter circuits. This workshop focused on the modelling and design of advanced power electronic converters for electric motors using PSIM and CYME. The participants got hands-on experience with the PSIM and CYME software packages. Dr. A.V. Thomas, Director, AIIE, and Dr. V.M. Patel, Principal, AIIE, were the patrons of the programme chaired by Dr. Kiran Parmar, Professor & Head, Electrical Engineering, AIIE. The workshop provided an opportunity to understand the concepts of power electronic systems and design it using appropriate software and imparting high-end technical inputs for real-time applications.

About AIIE

All established with an objective to provide the youngsters of the nation a platform to be the "Nation Builders". AIIE was instituted to impart them with requisite skills and training for contributing towards nation building. There are two institutions "Adani Institute of Infrastructure Engineering (AIIE)" and "Adani Institute of Infrastructure Management (AIIM)" functioning under the roof of AIIE. AIIE is offering three specialized engineering courses named Civil & Infrastructure Engineering, Electrical Engineering and Information & Communication Technology approved by AICTE. The Institute aims to provide quality education, research and professional practices that enable the students to become leaders in their professional careers, to pursue excellence in research, and to serve the profession, community and nation.

About Trident Techlab

Founded in the year 2000, Techlabs started with an aspiration to establish itself as a knowledge-based technology company in the engineering realm. Since its initial advent into the market with a small portfolio of pre-packaged software, Techlabs has always stayed conscious of the fact that though the quality of pre-packaged softwares in its portfolio is vital to sustain its business, success at scaling up its business and foraying into new market segments is contingent upon its capability to add value to each of its business deals.

Objective

Power electronics deals with the study of electric power conversion and its control using microelectronics. The major application of power electronics is the control of electric drives. Modelling and simulation are essential ingredients for the analysis and design of power converters and electric drives. The objective of the workshop is to impart an in-depth knowledge in the selection and design of power converter circuits. This workshop focuses on the modelling and design of advanced power electronic converters for electric motors using PSIM and Cyem. During the workshop, the participants will get hands-on experience with the above specified software packages. The goal of this workshop is to provide an opportunity to understand the concepts of power electronic systems and design it using appropriate software and impart high end technical inputs for real time applications.

Distinguished Lectures @ All

• Entrepreneurship & Innovation Talk Series

The session on Entrepreneurship & Innovation Talk Series focused on building a bold and brave entrepreneurial mindset coupled with a skill set that is befitting a changing world. The seminar also aimed at preparing students to be an agent for change in the business and the society at large with innovative methods. Under this inspirational series, All invited Shilpa Malik, Founder – Bioscan Research, Ms. Sanskruti Panchal, Claris Capital, Innovations to Incorporations, and Mr. Ashish Kanujia, NxG Ventures, Emerging Technologies and Cutting Edge Innovations, to talk on various aspects of business building and skill development. These talks helped to challenge assumptions, promote belief-in-self and provided a push to be the best leader one can possibly be.

Core Infrastructure Week

AIIE conducted the Core Infrastructure Week (CIW) during April 10 to 14, 2017. CIW is an annual week-long infrastructure industry-engaged learning programme aimed at providing engineering students with the opportunity of learning from the experience, expertise and mentorship of industry professionals. Every year, CIW sees infrastructure experts from not just Adani Group verticals (energy, resources, logistics and agriculture) but also experts from other sectors who share their valuable real world industry expertise.

National Day Celebration

- **Women's Day at All**

International Women's Day is celebrated every year to mark the contribution of women in society. All applauded the achievements of its female staff, students and colleagues from Sodexo on this day. An event for International Women's Day was organised on March 9, 2017, at All campus. Poster making on the theme '**Sahasik Kadam**', Bold steps for future, was the ice breaking activity of the event. It had an active participation and invited speakers judged the contest. A seminar and discussion session was then followed by high tea. The seminar on the IWD theme, involved two guest speakers from the Adani Group, Dr. Sushma Oza, CEO, Adani Foundation, and Ms. Leena Bhatt from Adani Chairman's Office. The guests shared their experiences on work life balance and instilled a sense of confidence and self-belief in the girls. An interactive Q&A session was followed by prize distribution before the closure of the event. Prizes were bought from Blind People's Association prepared by the students trained there.

- **71st Indian Independence Day Celebration at All**

All celebrated the 71st Indian Independence Day at the All campus by the unfurling of the flag by Dr. A.V. Thomas, Director, All, and remembering the great freedom revolution of the nation.

- **Children's Day**

A celebration was organised to mark Children's Day at the All campus for the site worker's children on November 14, 2017. These site workers work to make the life of people easy and safe at the Adani Shantigram Township. AIIM students, staff and faculty members gave 60 children of site-workers' a happy fun-filled day with activities like playing games, cake cutting ceremony, gift distribution and much more.

Cultural & Festivals Events

- **Rangat 2017**

Rangat 2017 was organised at AIIM with a lot of zeal and vigour on September 27, 2017, to give glimpses of our culture in the form of Garba and Dandiya. It is a club to understand, preserve and cherish the rich heritage of our composite culture.

- **SPIC MACAY – Programme**

AIIM, in collaboration with the Society for Promotion of Indian Classical Music and Culture Amongst Youth (SPIC MACAY), witnessed its first lecture demonstration by National Awardee Kathak dancer Rani Khanam. She is one of the leading performers of Lucknow Gharana of Kathak and performed at AIIM auditorium on July 6, 2017.

Sports Activities

• Aspire – 2017

All conducted its Annual Sports and Cultural Festival, Aspire 2017, from April 7 to 9, 2017. It was a fun-packed event with games, cultural activities, a fashion show, music, stand-up comedy and much more.

Other Events

- Book Expo: Books Showcase - 2017**

All's Library organised the Book Expo: Books Showcase – 2017 exhibition programme March 10, 2017, to showcase the new additions/publications of books, handbooks, monographs, dictionaries, encyclopaedia, yearbooks, etc. on core infrastructure management & engineering subjects.

- Discussion on Union Budget – 2017**

AIIM students engaged in an animated discussion on the 'Union Budget - 2017: a Hit or a Miss'.

- Public Speaking Contest**

An intra-class and inter-class public speaking contest had been organised at AIIE. A total of 72 students participated in the event, and out of those participants, 16 students from different classes were selected for the final round. Dr. Prateek Kanchan, Director, B.K. School of Business Management, was the Guest of Honour while the jury members were Dr. A.V. Thomas, Director, AI, Dr. V.M. Patel, Principal, AIIE, and Er. Kuntal Sanghavi. The entire event was coordinated by Dr. Mitesh Popat at the college level.

Dr. Mitesh Popat, Dr. A. V. Thomas, Dr. Prateek Kanchan, Dr. V. M. Patel, Dr. Ruchika Sharma and Students

- Fire & Safety & Meditation**

A programme on Fire & Safety & Meditation was conducted for the employees of AI on November 4, 2017, to encourage employees to commit to their organisation's goals & values, and be motivated towards contributing to the organisation's success with an enhanced sense of their own well-being.

Adani Institute to host masters prog for Purdue Univ

Students will be taught by faculty from Adani and Purdue University

DNA Correspondent @dnaahmedabad

Ahmedabad: In a conversation with DNA, Dr Pankaj Singh, head - services, Adani Institute of Infrastructure and vice president - learning and development, Adani Group, shares the institute's plan of hosting a masters programme for Purdue University in city, curriculum designing and teaching success story of Adani Group's top mega project and how its faculty will be given the status of Purdue faculty once the MoU goes through.

What will the collaboration mean for students and faculty?

Singh: Apart from the student exchange programmes, faculty members will be co-designing courses with Purdue University faculty. We are already through with the curriculum mapping and have ascertained the point of intersection where we would be able to contribute to their students and vice-versa.

What about joint courses offered by both institutes?

Singh: Purdue University wanted to expand their reach across Asia and have chosen us to host their masters programme in construction and technology. Students who opt for this course will be taught by faculty from Adani and Purdue and the offered certificate will be a joint one.

How will Adani Institute's professors contribute?

Singh: Our faculty will contribute to the Mega-Project Management Programme, where they would talk about mega projects of Adani Group. Adani Group is known for creating mega projects at Mundra, Kamuthi and Dhamra ports. Hence, we have lot of things to share and enhance their learning, thereby enriching their experience.

Will these projects be converted into case studies?

Singh: Unfortunately, in our curriculum we are facing a challenge as there are not many case studies on infrastructure. Soon, we will be converting our projects into case studies.

Singh (R) exchanges the MoU with a Purdue Univ official

BENEFITS OF THE COLLABORATION

- Adani Faculty to receive 'Purdue Graduate Faculty' status
- Collaborate for 'Design Thinking' course development project
- Adani Institute faculty to be thesis guides for Purdue students
- Executive Education Programmes through Purdue Distance MS Degree in Construction Management Technology

AIIM HOSTS FINTECH HACKATHON

Adani Institute of Infrastructure Management (AIIM) in collaboration with DCB Bank Limited hosted a 30-hour non-stop “FinTech Hackathon”.

Disruptive technological changes have transformed the Banking and Finance sector and brought about fundamental changes in the modes of business and ways of customer interactions for banks. Technology has enabled the proliferation of online banking, mobile payments, and other platforms making monetary transactions effortless.

With this background, around 70 participants from across the state, majority students and young professionals, got together for a one-of-its-kind event.

Industry stalwarts, start-up founders, and influential mentors formed the jury and graced the occasion. The participants brain-stormed non-stop over 30 hours to create concepts and develop financial technology products for the banking industry. The scope covered develop-

ing products for many prominent banking aspects such as Lending, Risk Management, Trading, Investing, Personal Finance, Retail Banking, Regulatory Compliance, Mobile Payments, Security and Social Enterprise. Participants worked on improving technology with enhanced security apparatus such as Internet of Things, Big Data, Cyber Security, Robotic Process Automation, Artificial Intelligence, Cloud Solutions, etc. Influential industry stalwarts and start-up

founders such as Dr. Pankaj Singh (Group Head, L & D, Adani Group), Prasanna Lohar (Chief Innovation Officer, DCB Bank), Jaimin Shah (Chairman, NASSCOM Domestic Council), Rahil Patel (CISO Commercial Co-operative Bank Ltd), and Nehal Sheth (Director, Tax & Regulatory Services, Ernst & Young) formed the jury at the event and motivated participants.

Speaking at the occasion, Dr. Pankaj Singh (Group Head, L & D, Adani Group & Head - Services, Adani Institute of Infrastructure), noted, “AIIM along with its partners have taken this initiative to fast track FinTech experiments by providing a complete ecosystem to ideate, develop, test and refine solutions. The need is for more such events to cater to various industries.” The event was aimed at better serving the financial industry and customers. The winners of Ahmedabad FinTech Hackathon will be taken for one month of further mentorship to take their products to next level for the mega presentation in Mumbai.

Talent at its Best

A three-day Annual Sports and Cultural Festival 'Aspire 2017' by Adani Institute of Infrastructure management and Engineering had the perfect combination of fashion, music and dance. While students showcased their talents through music, dance performances and ramp walks, the night also saw some established artiste acts. Mumbai-based band Kabir Cafe enthralled with pop version of Kabir's dohas and the comedy night was to watch out for.

‘રેરા’ના કારણે રિયલ એસ્ટેટની છબિ સુધરશે: ગ્રાહકોને પણ રક્ષણ મળશે

નવગુજરાત સમય > અમદાવાદ

રિયલ એસ્ટેટ રેગ્યુલેશન એક્ટ 2016 (રેરા)નો અમલ 1 મેથી થવા જઈ રહ્યો છે ત્યારે પ્રારંભિક પડકારો બાદ લાંબા ગાળે, ઓળંગમાં આમુલ પરિવર્તન આવશે અને ગ્રાહકો માટે સર્વે રિયલ એસ્ટેટ માર્કેટ વધુ પારદર્શી અને સલામત બનશે એમ નિષ્ણાતોએ જણાવ્યું હતું. ડેવલપરોએ પહેલાન પહેલે આપેલા વચનનું પાલન કરવું પડ્યો તેના કારણે ગ્રાહકોને સૌથી વધુ લાભ થશે. ઉપરાંત બિલ્ડરો માટે પણ ગ્રાહકોના વિશ્વસનીય પેમેન્ટ પર વ્યાજ લેવું સરળ બનશે.

ફિક્સી-ગુજરાત સ્ટેટ કાઉન્સિલ અને લો-હર્ન વિક્ટર વિગલ દ્વારા યોજાયેલા ‘રેરા’ની અસર અંગેના સેમિનારમાં જેએએલ એસિયા પેસિફિકના મેનેજિંગ ડિરેક્ટર નીરમ કાંઠારીએ જણાવ્યું હતું કે, “ગ્રાહકોને રક્ષણ આપવાના તંત્ર સાથે રેરા બનાવવામાં આવ્યો છે, તેના કારણે

રિયલ એસ્ટેટમાં પારદર્શિતા વધશે અને બિલ્ડરોએ વધુ જવાબદાર બનવું પડશે. બીજા તરફ, બજારમાં નિયમન વધવાથી એફડીઆઈ અને રિયલ એસ્ટેટ ફંડોને રિયલ્ટીમાં રોકાણ કરવા માટે સ્વચ્છ પ્લેટફોર્મ મળશે. ગ્રાહકોને વિશ્વસનીય પહેરાન સાથે અને પાન તથા લે-આઉટમાં બિલ્ડરો દ્વારા કરી દેવામાં આવતા ફેરફારો સામે રક્ષણ મળશે અને એકંદરે સમય જતાં આ બિઝનેસની ઈમેજ સુધરશે. લાભમાં ચાલુ પ્રોજેક્ટને રેરા હેઠળ સમાવવા માટેનો તર્ક એ છે કે જે

યુનિટોનું વેચાણ થાકી છે તે બરીદનારા ગ્રાહકોને કાયદાના અમલ માટે તેનો લાભ મળવો પોઈન્ટે, પરંતુ કેટલાક જુના ચાલુ પ્રોજેક્ટને તેની હેઠળ સમાવવા તે અંગે ચર્ચા થઈ રહી છે.”

તિવાલિક સૂચના મેનેજિંગ ડિરેક્ટર વિનાયક સાહે જણાવ્યું હતું કે, “રેરાના અમલીકરણથી ઓગેનાઈઝેડ બિલ્ડરોને લાભ થશે. જો ગ્રાહકો પેમેન્ટમાં વિલંબ કરે તો બિલ્ડરો તેમની પાસેથી વ્યાજ મેળવી શકશે. રેરાની હજી શરૂઆત થવા જઈ રહી છે અને સમય જતાં

રોજબજારમાં જે કમીકારી પરિવર્તન સેથી જેવી સંસ્થાના કારણે આવ્યા છે તે પ્રકારના બદલાવ રિયલ એસ્ટેટમાં રેરાના કારણે આવશે અને વોલ્યુમમાં તીવ્ર વધારો થશે.”

એમ્પ્લસ કેપિટલ એડવાઈઝર્સ પ્રા. લિ.ના સીઈઓ અનુરાગન મોહોતે જણાવ્યું હતું કે, “રેરામાં બિલ્ડરો માટે ‘પ્રિ-લોન્ગ’ પર પ્રતિબંધ આવશે તે અવશ્ય છે. ઉપરાંત નાનામાં નાના રેસર માટે પણ રેરા ઓર્ગેનાઈઝીનો સંપર્ક કરવો પડશે તે પણ ચોચ નથી. મૂડી પ્રવાહ પર પણ નકારાત્મક અસર જોવા મળે તેવી શક્યતા છે. જોકે, 2016 અગાઉની સિદ્ધિની સરખામણીએ રેરા આદર્ય સ્થિતિમાં સુધારો થશે, કારણ કે પ્રથમ વખત રિયલ એસ્ટેટમાં નિયમન સારી રહ્યું છે.” આ ઉપરાંત રેરામાં સરકારે કરેલ પ્રોજેક્ટના 00 ટકા રકમ અલગ એકાઉન્ટ રાખવા માટે નિર્ણય કર્યો છે તે અંગે પણ પ્રશ્ન ઉઠાવવામાં આવ્યો હતો.

FICCI holds discussion on RERA

Ahmedabad: The Federation of Indian Chambers of Commerce and Industry (FICCI) in association with Vector Legal, a law firm, on Friday organized an interactive panel discussion the Real Estate Regulation and Development Act 2016 (RERA).

Experts said that the Act will help bring transparency, which in turn will clean up the real-estate sector and force developers to complete their projects in accordance with guidelines. Leading developers, legal experts, and research agencies were part of the discussion. According to the new Act, promoters, investors, land owners, and even real-estate brokers have to strictly comply with RERA by getting required licences, which shall be renewed every two years. TNN
