

Building Growth with Excellence

Adani Group

An Overview

The Adani Group is one of India's largest integrated infrastructure conglomerates with interests in **Resources** (coal mining and trading), **Logistics** (ports, logistics, shipping and rail), **Energy** (renewable and thermal power generation, transmission and distribution), and **Agro** (commodities, edible oil, food products, cold storage and grain silos), **Real Estate**, **Consumer Finance** and **Defence**. Headquartered in Ahmedabad, India, the Group has operations across the world. Adani owes its success and leadership position to its core philosophy of 'Nation Building'.

The Adani Group takes its responsibility towards contributing to the improvement of the society very seriously. Through the Adani Foundation, it ensures that development and progress are sustainable and inclusive; not just for the people living in these areas, but the environment on the whole.

Vision statement:

To be a world-class leader in businesses that enrich lives and contribute to nations in building infrastructure through sustainable value creation.

Building Growth with Excellence

Adani Institute of Infrastructure (All)

- Established in the year 2009, the Adani Institute for Education and Research (AIER) is supported by the infrastructure conglomerate, the Adani Group, and guided by the Infrastructure visionary of the nation, Shri Gautam Adani
- All is a self-financed institution promoted by the Adani Group under AIER, with the vision to be a leading Global Economic Academic Institution in the infrastructure sector contributing to nation building
- All provides youngsters with requisite skills & training and a platform to be "Nation Builders"

From the Trustee's Desk

Dear Recruiter,

Greetings!

It is with immense pleasure that I introduce you the Post Graduate Diploma in Management (Infrastructure Management) class of 2019 at Adani Institute of Infrastructure Management (AIIM).

The programme structure and pedagogy are designed to impart management education with practical learning experience. Finest faculty, active interaction with business leaders, club activities make students well-equipped to bring to table deep management insight, thought leadership and expertise to drive meaningful business results.

Our 2019 batch is an enthusiastic group of future leaders who are ready to pave their path in the industry. I am confident they will be valuable young managers for your organizations.

Dr. Malay Mahadevia

Director HR and Whole-time Director
APSEZ

From the Director's Desk

Greetings to the infrastructure fraternity of India!

Today, all-inclusive infrastructural growth is the mantra for our nation. Our dream to become world economic superpower can be met only when we focus on developing sustainable infrastructure in core, services and social sectors alike.

However, the growth of infrastructure could be better if well-trained techno-managers are available in the market. Our promoter, Mr. Gautam Adani, recognized this as a challenge as well as an opportunity and started this education institution to offer Post-Graduate Programme in Infrastructure Management. It is now AICTE approved 2-year full-time programme.

Well-designed course curriculum, highly qualified and enthusiastic faculty members, carefully selected blended learning pedagogy with strong and active industry inter-face are the distinctive features of this programme. I am happy to introduce to you the graduates of our 2019 batch of PGDM (IM) for your consideration in your esteemed organization.

Events at AIIM

Inaugural Function for PGDM (IM) Batch 2018-20

Chief Guest Dr. I.P.Gautam, Managing Director, Ahmedabad Metro-Rail Co (MEGA Ltd) shared his insights at the Adani Institute of Infrastructure Management inaugural ceremony to welcome the fresh batch of PGDM (Infrastructure Management).

All Signs Letter of Intent with GTEP London

Global Training Education Program (GTEP) London, United Kingdom, under UK-India Education Collaboration, and the Adani Institute of Infrastructure signed a letter of intent, in the presence of Goeff Wain, British Deputy High Commissioner, to foster international cooperation in education and research.

AIIM Convocation

Adani Institute of Infrastructure Management was honoured to have Dr. Priti Adani, Chairperson, Adani Foundation, as the chief guest for its annual convocation of its 2016-18 PGDM (IM) batch.

6th EPC World Awards

AIIM was recognised for outstanding contribution to the sector and honoured for its academic contribution in the infrastructure and construction sector as 'Emerging Institute for Infrastructure Management' in special achievements category, at the 6th EPC World Awards.

Infrastructure Leadership Series

This is a continuous process to expose AIIM students to global practices and prepare them for a great career in this sector. Industry experts are invited to speak on various topics for disseminating strong and practical experience.

Logistics Asia Conference & Expo

The second edition of 'Logistics Asia Conference & Expo' was based on the theme of 'Standards & Benchmarking Logistics in India - Game Changer for India to Become an Economic Super Power'.

Dr. Pankaj Singh's Speech at CIIE, IIM-A

Dr. Pankaj Singh delivered a talk on 'Opportunities and Challenges in the Infrastructure Sector' at the CIIE, IIM Ahmedabad campus. He spoke about the roadmap of AI-defined infrastructure in shaping the future of India and how individuals, managers & entrepreneurs can equip themselves to operate with the help of digital solutions.

Strategic Thinking in Infrastructure Sector

AllIM organised an infrastructure conclave which provided an opportunity to industry experts and academicians from across India to discuss and debate on learning from the past & looking to the future as a part of 'Strategic Thinking in Infrastructure Sector'.

Smart Infrastructure Industry Confluence

As a thought-provoking platform to share and understand the emerging challenges and opportunities in infrastructure and its allied industries in India, the Smart Infrastructure Industry Confluence helped to explore the key areas where innovative digitalisation technologies can be used.

Leadership Development Programme

The Adani Institute of Infrastructure hosted a day-long Leadership Development Programme by Global Leadership Coach, Mr. Peter Cox. The objective of the programme was to equip the participants with knowledge about how on to make the business grow, build up succession-planning, thrive in a hyper-competitive environment and enhance individual and team performance.

Alumni Speak

Mr. Himanshu Chavan, PGDM(IM) Batch 2016-2018

"Transformation, Motivation, Dedication – this is what I have learnt at AIIM. This motto has guided my professional career ever since. AIIM not only provided me with an opportunity to create a vision in infrastructure but also offered an opportunity to provide myself with one of the best platforms. AIIM was the first step towards my professional career."

Placement: [Mott MacDonald](#)

Mr. Himanshu Parmar, PGDM(IM) Batch 2016-2018

"On the wonderful journey of two years at AIIM, my skills have been enhanced while my personality, attitude and knowledge have undergone a gradual transformation. I am confident that AIIMites will continue to achieve the institute's objective and vision of nation-building by contributing through managerial responsibility, into the infrastructure sector."

Placement: [PricewaterhouseCoopers](#)

Mr. Shivan Sinha, PGDM(IM) Batch 2016-2018

"AIIM is a pioneering institute, focusing exclusively on creating future inframanagers who are ready to handle large-scale infrastructure projects nationally and globally. With an excellent faculty base and unparalleled industry exposure, AIIM nurtured and turned me into a true infrastructure professional."

Placement: [JLL | Global commercial real estate services](#)

Ms. Aswathi Unni, PGDM(IM) Batch 2016-2018

"The Adani Institute of Infrastructure Management is the place which shaped me into a hardcore infrastructure professional. It made me technically sound, more competitive, nurtured my talent and guided me in facing the future and society."

Placement: [KPMG](#)

Ms. Prakriti Jain, PGDM(IM) Batch 2015-2017

"It was a difficult decision for me to opt for a course that specialises in Infrastructure Management, after completing engineering in the electronics & communication discipline. But, after getting admission into AIIM, with the support of the faculty and fellow batchmates, it got easy. I perceive my journey at AIIM as a big milestone in my career development."

Placement: **Quatro**

Mr. Arnabjyoti Das, PGDM(IM) Batch 2015-2017

"The academic rigour of the institute and the corporate approach of the Adani Group have really helped me grow both personally and professionally. I have enjoyed continuous support from the management who have always gone out of their way to help the students. I also made good friends and memories here, which I will always cherish throughout my life."

Placement: **EMC Ltd.**

Mr. Mayank Sah, PGDM(IM) Batch 2015-2017

"The exciting curriculum followed at AIIM helped me in acquiring new knowledge which was an essential addition to the learning I gained during my professional experience. The faculty members of the course, with their extensive professional and academic experience, the world-class curriculum delivered through peer and group learning and the case study method was greatly beneficial towards building my capacity as a student and infrastructure professional."

Placement: **KPMG**

Ms. Pranjali Vishwakarma, PGDM(IM) Batch 2015-2017

"The programme at AIIM pushed me out of my comfort zone and forced me to go beyond what I previously thought was my academic limit. Now, that I have achieved my dreams, I know that I made the right decision by choosing this course."

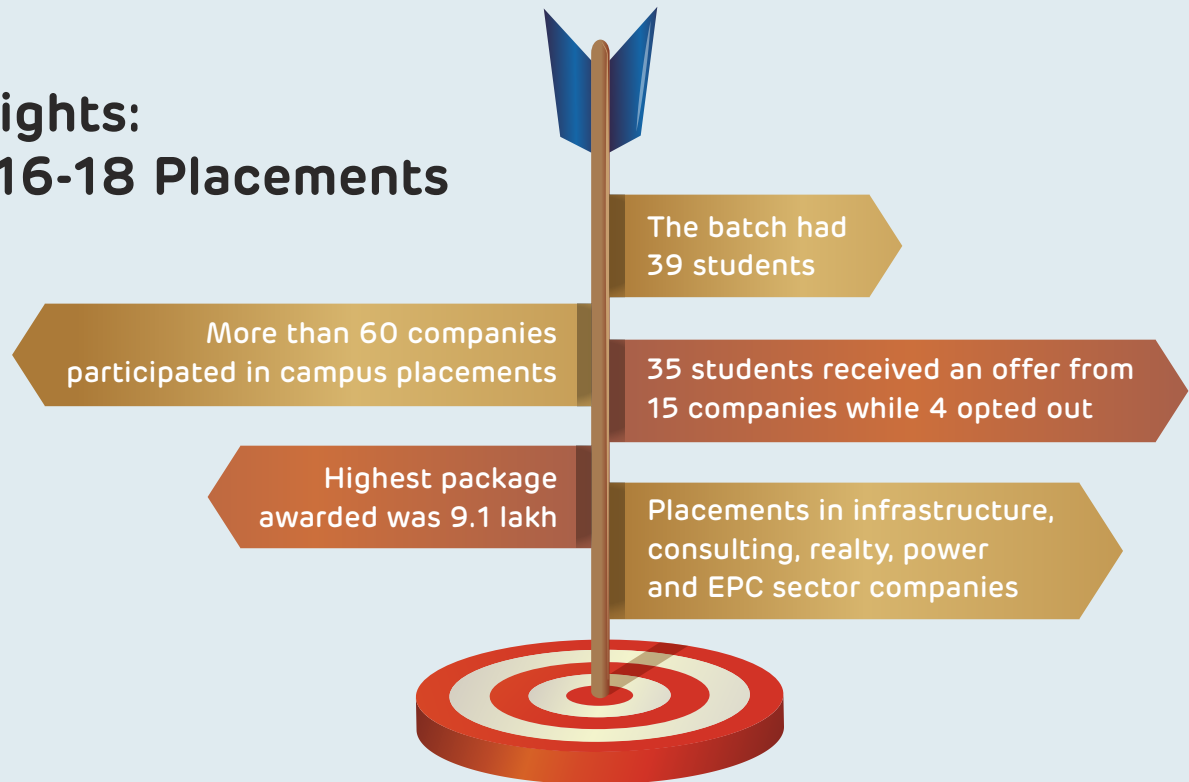

Placement: **Adani Township & Real Estate Company Pvt. Ltd.**
