Message from Dean

Well-designed course curriculum, highly qualified and enthusiastic faculty members, carefully selected learning pedagogy with strong and active industry interface are the distinctive features of this programme. I feel very happy to introduce to you the students of our 2019-21 batch of PGDM (Infrastructure Management and Law) programme for your consideration in your esteemed organization.

Prof. Devang Desai

Dean, Adani Institute of
Infrastructure Management (AIIM)

Post-Graduate Diploma in Management (Infrastructure Management)

Building Growth with Excellence

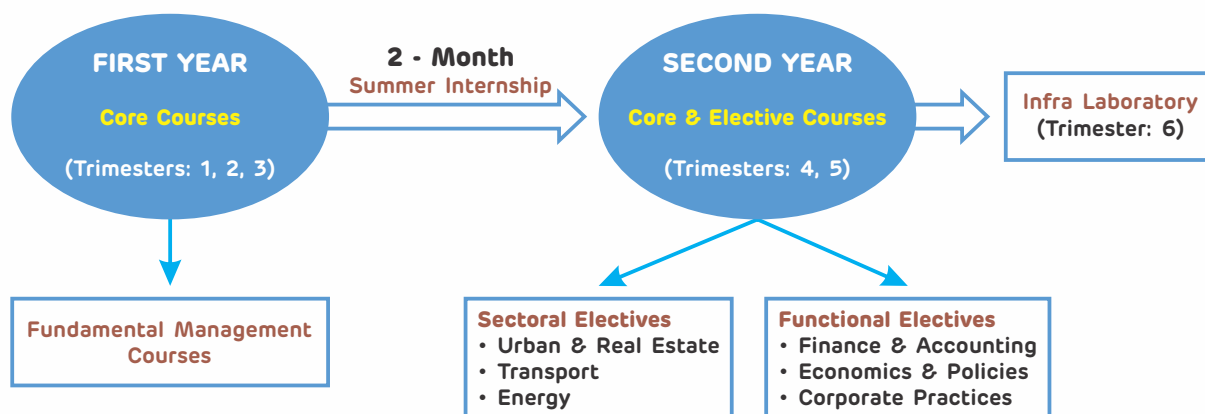

Programme Highlights:

- ◆ An AICTE approved 2-year full-time programme, spread across six trimesters
- ◆ Unique pedagogy includes case discussion and analysis, lectures, group exercises, simulations, presentations, role plays, project work and field visits
- ◆ In the first year, core courses provide a thorough, integrated grounding in management and infrastructure essentials to be rounded off with a 2-month long summer internship at the end
- ◆ In the second year various elective courses are offered, which are designed and revised at regular intervals through continuous evaluation methodology from Adani group, other industry interface and alumni

Programme Structure Design:

Programme Pedagogy:

- ◆ Programme steered by distinguished faculty and acclaimed industry practitioners through lectures, presentations and contemporary simulations, assignments and group projects
- ◆ "Experiential learning" case study-based and application-oriented practical implementation of theories and concepts
- ◆ Extensive industry interface through conferences, workshops, symposiums, panel discussions, club activities, guest speakers, seminars, live projects and site visits

Campus Recruitment

National and global companies from various verticals such as, but not limited to, Infrastructure Developers, EPC, Consultancy, Realty, Transport & Logistics, Oil & Gas and Power, Private Equity, Asset Management, etc. participate in Campus Placements at AIIM every year, for both summer and final placements.

We are grateful to business and industry for the positive response elicited by them towards AIIM. It speaks volumes about the programmes' strength and lends credence to the institute's capabilities to meet the aspirations of industry. We invite recruiters for summer and final placements for this year as well.

Programme participants are offered and recruited for enriching job-profiles in the areas of Infrastructure Consultancy, Supply Chain & Logistics, Project Management, Risk Analysis & Audit, Planning and Project Execution, Project Finance, Business Development, Infra HR, Compliances, Land & Contracts, Regulatory and Policy, etc.
